

HOPE SUMMIT

YOU'RE INVITED!

June 12 – 15, 2025

THE
BROADMOOR
COLORADO SPRINGS, CO

Our Exclusive Retreat

We want you to be our guest at the world-renowned Broadmoor resort in beautiful Colorado Springs, Colorado. It will be a time of relaxation and rejuvenation as you enjoy breathtaking scenery and invigorating outdoor activities. It will also be a time of reflection and revelation as you learn about what God has been doing through Hope for the Heart. We will share, too, about the exciting things we see ahead for our ministry that has touched the lives of millions of people.

We'll start in the early evening on Thursday, June 12, and conclude late morning on Sunday, June 15. But you are welcome to come early or stay late and take in the many attractions that surround the base of the majestic Pikes Peak.

Hope for the Heart will cover three breakfasts, three dinners, and three nights of lodging. All you need to do is to wheel or wing your way to this five-star/five-diamond resort. If you're flying, the Colorado Springs Airport (COS) is about 20 minutes east. Denver International Airport (DEN) is 90 minutes north.

HOPE *for the* HEART

Dear Friends of Hope for the Heart,

I sincerely look forward to connecting with you at this special event in Colorado Springs. I want to see you in person and be able to talk to you about what God has placed on my heart for the days ahead. This relaxing retreat is also my way of saying thank you for the kindness you have shown to me and this ministry over the time I have known you. I trust you will genuinely consider being with me at The Broadmoor for an unforgettable and inspiring weekend together.

June Hunt

Founder & Chief Servant Officer

More than ever, the world needs the hope found in Jesus Christ – and speaking on behalf of the board and staff, we have never been more eager to see it delivered through our broadcasts, podcasts, courses, and printed materials. The theme for our long weekend together will be “Messengers of Hope.” We will have several such messengers with us as guest speakers, but we truly see you as messengers of hope as well. As donors to Hope for the Heart, you have played a critical role in keeping us focused and equipped, and we look forward to your continued engagement. This weekend retreat will afford time for you to consider how your passion can dovetail with our efforts to bring hope to the hurting.

Colorado's Iconic Resort

The Broadmoor is always mentioned in lists of the best resort hotels in America, usually at the very top. It has been a five-star/five-diamond property for more than 60 years in a row; you'll experience its legendary service that earned those ratings throughout the entire 5,000-acre property. Something else you'll experience is Wild West history. In many ways, The Broadmoor is an art and history museum with paintings, photos, clippings, and artifacts from bygone days. The legends you'll learn about those early railroad barons and yesterday's gold miners will be enthralling.

If you want to get outdoors, this vast facility has paved walkways around a lake that is the centerpiece of the property. Golfers, too, can walk to their hearts' delight over the two 18-hole championship courses (but electric carts are also available). If you want to get a bit further out, Seven Falls, a series of seven cascading waterfalls, is just minutes away. Referred to as "The Grandest Mile of Scenery in Colorado," the beautiful area features a mile-long walk to view the falls from the top of a 224-step staircase. Once above the scenic wonder, you can follow additional trails through the forest.
